

IFMC Executive Committee Meeting  
January 16, 2016  
NFMC Headquarters – Greenwood, Indiana

The IFMC Executive Committee met at the National Headquarters in Greenwood. Those in attendance were: Lisa Cremer, Donna Thiele, Peg Bryan, Virginia Kleeberg, Catherine Kling, David Mannell, and Helen Arffa

Minutes from September 19<sup>th</sup> were read. David moved to accept minutes and Donna seconded.

The treasurer's report was given. David said he is keeping better track of senior club donations that are going to state awards and nationals. The required donations are \$5 for the past president fund and \$15 for the Ann Adams and Kathleen Guillame funds. David said Mark Wiedenmeyer needs to update the senior club dues forms to include designated donations. David said he would take care of that.

Due dates are changing to October 1<sup>st</sup> for senior and junior clubs. National dues increases are expected to be announced at the national meeting this summer in Tulsa.

Peg **Bryan** recommended we tell families of "named" in memoriam scholarships so that families know money is being donated in their loved one's name. Virginia **Kleeberg** said **that this is the role of the** scholarship chairman. **Anne Adams and Kathleen Guillaume's families will be contacted.**

~~Also,~~ **When a local student wins a national award, the state matches the award. The name of the award matching donor should be sent to the winner. This award is named for Donna Thiele so her name should always appear on the congratulatory note.**

Peg **Bryan** suggested that scholarship winners should be asked to perform at the **state** meeting in June.

Virginia proposed consolidation of numerous NFMC chairmanships. Becky Sorley will be student collegiate chairman and Mary Kominowsky will be junior scholarship chairman. Lisa **Cremer** will work with Mary and Becky on this. She also said we need to come up with an updated scholarship list. Virginia added we need a new application with deadlines to meet new national deadlines. Helen moved for the consolidation as proposed. Lisa seconded.

To be put on agenda for next meeting – should state pay for our collegiate club dues (as Ohio does)?

David moved to adjourn and Helen seconded. Meeting was adjourned.

Respectfully submitted,  
Catherine Kling
